MasonRothchild @MasonRothchild

A preview of my upcoming NFT collection ahead of it's release next week for #NFTNYC. Releasing 50, one of a kind, Birkins of varying rarity — starting at .1 ETH.

The collection needs a name. Share this post and reply with your suggestion, best suggestion gets a gifted Birkin.

Not sure if multiple name ideas are allowed but

- Birkins On-chain
- On the BirkinChain
- DigBirkin
- MetaBirkin
- Birkin Jang
- Birkinin
- Birkin.eth
